Dear LSC Families:

In compliance with the requirements of the *Every Students Succeeds Act*, Liberty STEAM Charter School would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and/or other instructional staff members. As we soon head into the 2026-27 school year, the following information may be requested:

- ☐ Whether your scholar's teacher (s)— has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- ☐ Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- ☐ Is teaching in the field of discipline of the certification of the teacher;
- ☐ Whether the child is provided services by additional and, if so, their qualifications.

If you wish to request information concerning your child's lead teacher/teaching fellow's professional qualifications, please contact your Campus Academy Director. Thank you for your continued support of the work we are engaged in – we truly appreciate all that you do!

In it together,

*Brenda B. Hafner*
